**Lypo Gold is an enzyme formula that contains the highest potency of an exclusive blend of lipases. Lipase deficiency can contribute to: hormonal imbalances, high cholesterol, dry skin, weight gain, gallbladder and liver distress, as well as vitamins A, D, E and K deficiency.\***

## Fat Metabolism

Fat is essential for life. The brain of an infant is 50% fat, the adult brain is 25% fat, and 30% of all of our cells is fat. The fact is, without these essential fats life is impossible. For these reasons, fat blockers such as Olean and Elestra are undesirable. They keep fat from being absorbed and also keep fatty nutrients from being available such as vitamins A,D,E and K.

Though many of us get enough fat in our diets, some do not metabolize it well. The symptoms of poor fat metabolism include heart problems, high blood pressure, plaque build up in the arteries, obesity, indigestion, eczema, psoriasis and gallbladder problems. All of these issues are in some way related to an inability to properly metabolize fats or lipids. This inability is most likely a deficiency of the enzyme lipase.

Normally fats are not digested until they reach the small intestine. By taking Lypo Gold with food, fat digestion begins earlier and stress is taken off of the gallbladder, liver, and pancreas. This allows for better fat metabolism with far less energy being consumed to handle this task. When taken between meals, it helps remove fats from the blood (cholesterol and tryglicerides) and the liver (fatty liver).\*

## Recommended Usage

### Cholesterol, cardiovascular, hormone support:

1 capsule three times daily on an empty stomach.

### Gallbladder distress:

1 capsule with each meal. Works best in combination with Digest Gold.

### Fat metabolism / weight loss:

1 capsule with each meal plus 1 three times daily on an empty stomach.\*

## Supplement Facts

Serving Size: 1 Capsule  
Servings Per Container: 60

Amount Per Serving		%DV
Lipase Thera-blend™	6,000 FCCFIP	*
Amylase Thera-blend™	11,000 DU	*
Protease Thera-blend™	30,000 HUT	*
Lactase	600 ALU	*

\* Daily Value not established

OTHER INGREDIENTS: 100% Vegetarian Capsule (cellulose, water)  
CONTAINS NO dairy, preservatives, salt, sucrose, soy, wheat, yeast,  
nuts, corn, gluten, casein, potato, rice, artificial colors or flavors.

Keep closed in dry place; avoid excessive heat.
