Digestive Support

TIED FOR FIRST PLACE (Gold Medal):
Enzymedica—Digest Gold; Source Naturals—
Essential Enzymes

Digest Gold represents the most potent digestive enzyme formula available. It has been formulated to assist in digesting proteins, fats, carbohydrates and fiber. Digest Gold is more potent than Digest. It contains four more enzymes and is approximately three times stronger than Digest in most categories.

Indigestion Remedy

TIED FOR FIRST PLACE (Gold Medal):
American Health—Super Papaya Enzyme Plus;
Enzymedica Acid Soothe

Enzymedica's Acid Soothe was formulated for the person suffering from any discomfort associated with gastrointestinal distress, including: heartburn, diarrhea, acid reflux, digestive discomfort and indigestion. The ingredients in Acid Soothe provide the body with pure plant enzymes for delivery along with nutrients specific to the gastrointestinal region.
